

## **GEOFFREY GRANT**

---

**Address:** London, Portugal and South Africa ; Based – Worldwide

**Telephone:** Cell: (SA) 071 521 9557 ; (UK) 07785 244299

**Email:** [geoff.grant@mail.com](mailto:geoff.grant@mail.com)

### **Academic Qualifications:**

- FCI Arb : LLM : Dip. Const. Adj. : PGDip. : PGCert. : B.Sc.

### **Membership of Professional Institutions:**

- Panel Adjudicator : ICE-SA, CASSA and UKAdjudicators.co.uk

### **Experience and fields of work:**

- With over thirty years' experience of petrochemical, power, engineering, piping, communications technology, rail and construction projects worldwide, I am an Independent Expert Witness and panel Adjudicator with the Institute of Civil Engineers, Construction Adjudication Society of South Africa and UK Adjudicators.
- I have considerable experience in many forms of contract including the NEC, FIDIC and JCT suite of contracts, as well as bespoke construction contracts, across a broad spectrum of disciplines including petrochemical, power, engineering, piping, communications technology, rail and tunneling, residential, commercial/retail and hotel developments across the UK, Europe, the Middle East and Africa.
- I consider myself to be a specialist in NEC and FIDIC time and quantum disputes.
- I am a Fellow of the Chartered Institute of Arbitrators and hold a Master of Laws degree in Construction Law and Arbitration, along with a Diploma in Construction Adjudication, a B.Sc. degree in Quantity Surveying.
